

**Bass Fishing Club** (NAME) \_\_\_\_\_

Activity Code / Parent Permission (ID) \_\_\_\_\_

**HINSDALE SOUTH HIGH SCHOOL  
ACTIVITY CODE  
2009-2010**

All students considering getting involved with the Hinsdale South Activity Program MUST read and familiarize themselves with the attached Activity Code. Students must sign only one Activity Code permission form each school year.

**Both student and parent must sign below.**

The Hinsdale South High School Activity Program consists of over 60 clubs and activities. The Activity Program is a vital part of student life at Hinsdale South. In order to participate in any of our programs, students and their parent(s) / guardian(s) **must carefully read the attached Activity Code of Conduct.** In order to participate in a Hinsdale South Club/Activity, student members are expected to comply with the District 86 Activity Code. The Statement of Philosophy, as well as Expectations for student members, is included.

Please read through the following pages, discuss it with one another, complete and sign the form below, and return the bottom portion during Summer Registration & Book Distribution.

**Please sign, detach and return the bottom portion of this form in acknowledgement and understanding of the Activity Code.**

----- *tear here and return bottom portion during Summer Registration & Book Distribution* -----

**ACTIVITY CODE - PARENTAL PERMISSION FORM**

The Activity Code-Parental Permission Form is to be signed by a parent (guardian) **and** student participant prior to his/her participation in any club or activity for the 2009-10 school year. This Code remains valid for ONE CALENDAR YEAR from the date the document is signed. In order for the student to participate after that date, the participant and parent/guardian must complete and sign a new Code. Code violations DO, however, carry over from year to year.
