Dear Band Students & Parents:

As our summer vacations get under way I want to take a moment to welcome the new students to the Hinsdale Central Bands. There are over 200 students enrolled in band classes at Hinsdale Central and I am really looking forward to the upcoming school year. The documents enclosed in this mailing are described below.

First, the blue sheet is a final reminder about the **Fourth of July Activities**. All current and incoming band students are expected to participate. You should R.S.V.P. by **Friday, June 24, 2011**, for the event using the online registration link at www.hcbands.org. More details are also available on the website and in the enclosed flyer.

Second, every band student needs to return the purple **Equipment & Fee Form** with accurate payment and uniform measurements by **Friday, July 22, 2011**.

Third, the salmon sheets are a **Proposed Itinerary** and a **Deposit Slip** for the 2012 Band & Choir spring break trip to California. All band and choirs students are eligible to travel with the group.

Fourth, information about the **Music Parents Association (MPA)**, including membership fees and opportunities to donate and volunteer, is provided on the pink sheet.

Finally, you can mark important band dates from the green **2011-2012 Performing Arts Calendar** on your family calendar. Please note that marching rehearsals begin the week of **August 15, 2011**. These dates and times occasionally change throughout the school year, so check the band website at www.hcbands.org for the most current information.

I hope you enjoy your summer break and I look forward to seeing you at the summer band activities.

A handwritten signature in red ink that reads "Mark S. Kurinsky".

Mr. Kurinsky
