

Central - Cafeteria Kitchen/Serving Lines

The new cafeteria is complete.

Central - Center for Technology Education

Furnishings are in, and most equipment has been delivered. Pepper Construction remains on-site to finish electrical work and connecting the new equipment to power. Classes are being held in the space, with the CAD labs fully functional.

Central - Library Renovation

The library is complete. New furnishings are installed. Library staff are working to stock the collection into their new shelves.

South - Center for Technology Education

New furnishings are installed, and the majority of new equipment is in the CTE. Pepper Construction remains on-site to complete electrical work and equipment hook-ups. Classes have begun in the space.

South - Renovate Classrooms

All classroom renovation work is complete.
